

Come, Lets Learn from Home Grade -III

Dear Parent,

Now that we are in the lockdown mode for 21 days, as announced by the Prime Minister, we have planned a weekly **Fun Work** for the kids. Hope that they will enjoy doing these activities under your guidance. Let's together help our students to use their time productively and engage in some creative learning.

Week - 2

(4th April-10th April, 2020)

- Given below is a list of activities which the students are supposed to take up during the given week. Seeking the cooperation of the parents to kindly help the child in compiling the activities on a weekly basis. These can be submitted to the HRTs after the school reopens.
- **Activity 1-** Write about the greatest gift you have ever received. Who gave the gift and what made it so special? Stick related pictures if you have any.
- **Activity 2-** Draw the Solar System on an A4 size paper and write some interesting facts about all the planets.

(Or)

Best out of waste-Make an article of your choice out of any waste material which is available at home like plastic, cardboard, disposables etc.
