

Come, Lets Learn from Home

Grade -4

Dear Parent,

Now that we are in the lockdown mode for 21 days, as announced by the Prime Minister, we have planned a weekly **Fun Work** for the kids. Hope that they will enjoy doing these activities under your guidance. Let's together help our students to use their time productively and engage in some creative learning.

Week - 2

(4th April - 10th April, 2020)

- **Activity 1**- Do the given activity on an A4 sheet:
 - (a) Write a brief description of an interesting dream that you had. Then, write a story based on your dream with your own creative ending.

(Or)
 - (b) Think of a person who you consider to be a hero and write the reasons for your thinking. Describe his qualities. You can also stick his picture.

- **Activity 2**- दिए गए मौसमों में से अपने पसंदीदा मौसम के बारे में सचित्र 10-15 वाक्य लिखिए-

(Write on an A4 size sheet)

Write 10-15 lines about your favorite season. (Draw or paste related pictures)

1. गरमी (summer)

2. सर्दी (winter)

3. बारिश (rainy)

- **Activity 3**- **Earth Guardians: Protecting the Planet**
Protecting the Earth is everyone's responsibility. This home activity will help children to explore what it means to be an Earth Guardian and develop an understanding of how their actions can have an impact on the world around them.

What you need to do:

- Watch a you tube video on the causes and effects of climate change - National Geographic video.
- 1. Explain to your child that today they will learn more about the planet we live on, the impact of climate change, and research organizations that are preserving our planet.
- 2. Share that caring for the planet is an important way of practicing our responsible decision-making skills.
- 3. Ask your child, "What do you know about this planet we call home?"
- 4. Ask, "What is climate change?"
- 5. Show your child the National Geographic video about climate change.
- 6. After watching the video together, ask questions such as, "What stood out for you in the video? What can we do to reverse the effects of climate change?"
- 7. Together, create an Earth Guardians family action plan to take better care of the planet.

On an A4 sheet please help your child to write answers for point 6 and 7.

- **Activity 4-** Brush up on your ward's addition, subtraction, multiplication, division and factoring skills. Please ask them to revise tables from 2-14 every day.
- **Activity 5-** Kitchen Garden-Plants make the house pretty, it cleans the air and gives back oxygen. Encourage the child to plant a few fenugreek seeds in a small container, water it and watch it grow.
- **Illustrate your activities with pictures wherever possible.**
- **Activity 5-** Motivate them to read story books. Many e-books are available. You can also download the fREADom app (Stanford University research case study in partnership with our school).
- To read please click on the given link- <http://getfREADom.com/app>.
[School Code-850740](http://getfREADom.com/app)

For any queries call 9077077777

Also encourage the students to read extensively and watch TV channels like- Animal Planet, POGO, Discovery, Disney, Nickelodeon etc.

Dear students,

Requesting you to-

- Play indoor games like Pictionary, Puzzles, Balance Beam, Board Games etc.
- Do some indoor exercises to keep you fit such as Push-ups, Sit-ups, Balancing on one leg, Ball Toss etc.
- Help parents in small household chores like folding laundry, cleaning the table after meal, organizing your book stand and toys, help a younger sibling with something.
- Communicate in English as much as possible.

- Use the golden words 'Sorry', 'Please', 'Thank you' and 'Excuse me' extensively.

- **Stay indoors, Stay safe.**
Parents please note: Kindly help the child compile the HWs being given, week wise and submit it to the HRT on the reopening day.

Thanking you

Sincerely yours

Malathi Ramakrishna, Coordinator Grade 3 & 4
