Day 6- Fun Game

Try this with your family members

Finding Someone's Age - Number Trick

- Ask the person to **multiply** the first number of his or her age **by 5**.
- Tell them to **add 3**.
- Now tell them to **double** this figure.
- Finally, have the person **add the second number** of his or her age to the figure and have them tell you their answer.
- **Deduct 6** and you will have their age.
