

Come, Lets Learn from Home Grade -III

Dear Parent,

Now that we are in the lockdown mode for 21 days, as announced by the Prime Minister, we have planned a weekly **Fun Work** for the kids. Hope that they will enjoy doing their **Fun Work** under your guidance. Let's together help our students to use their time productively and engage in some creative learning.

Note: Dear Parents

This is the last in the series of weekly work from home. We request you to kindly help the child compile the week wise HWs given and submit them to the HRT whenever the school reopens.

Week - 4

(18th April-25th April, 2020)

Given below are a list of activities which the students are supposed to take up during the given week.

Activity 1- MAKE A POSTER, MAKE A CHANGE

Posters are an effective way of communicating with people. Posters create awareness as they include information displayed in interesting and eye catching ways. The message to be conveyed can be displayed in a pictorial form or through illustrations too.

This summer, let's make posters about the importance of water. Here is a list of ideas, you can use to create your own poster.

Ideas for creating a poster:

- Create a border
- A main message: clear big writing
- A main picture to support the message
- Write a slogan to convey your message.

Keeping the above points in mind, make a colourful poster on any one of the given topics on an A4 size white paper.

- Water conservation
- Importance of water

Activity 2- Telugu- Write any 5 examples of dwithva, samyuktha, samsleshakshra padalu on an A4 sheet paper.

Hindi- वर्ग पहेली

Activity 4- Share your experience of attending a wedding. Write in ten lines what you wore, how the bride and groom looked, what you saw, how people were dressed and what you ate. Write it on an A4 sheet and underline the adjectives that you have used in your description.

- Illustrate your activities with pictures wherever possible.

Activity 5- Paper plate JELLYFISH CRAFT

What you'll need for this:

1. Paper plate
2. Paints
3. Glitter powder (optional)
4. Paper
5. Glue
6. Scissors
7. Stapler

INSTRUCTIONS:

1. Colour the paper plate with your favorite colour.

2. Once you are finished colouring the paper plate you can decorate using glitter powder.
3. Trim the paper plate to a jellyfish shape and then turn the paper plate over.
4. Cover the freshly cut edge with a generous amount of glue.
5. Cut a number of strands of ribbon to various lengths.
6. Add the ribbon to the paper plates, ensuring they're nicely spaced out.
7. Cut out a pair of white and black circles to create eyes and add them to the jellyfish.
8. Finish off with a hanging hook using a small piece of ribbon and secure with a staple. That's all your Jelly Fish is ready.

Create some more craft activities with paper plate.

Also encourage the students to read extensively and watch TV channels like- Animal Planet, POGO, Discovery, Disney, Nickelodeon etc.

Dear students,

Requesting you to:

- Play indoor games like Ludo, Carrom board, Scrabble, Chess, Hide and seek inside the house, Treasure hunt inside the house etc.
- Do some indoor exercises to keep you fit such as Jumping Jack, Skipping Rope, walking indoors etc.
- Help parents in small household chores like dusting of the house, cleaning wardrobes and watering the plants.
- Communicate in English as much as possible.
- Use the golden words '**Sorry**', '**Please**', '**Thank you**' and '**Excuse me**' extensively.
- **Stay indoors, Stay safe.**

Thanking you

Sincerely yours

Malathi Ramakrishna
