

WORK FROM HOME ACTIVITIES

GRADE: 5

Dear Parents

As the online classes for grade 5 have begun, this is the last in the series of weekly work from home. We request you to kindly help the child compile the week wise HWs given and submit them to the HRT whenever the school reopens. We are sure that the students have had fun doing these activities and were engaged in productive work. We pray and hope that the lockdown is lifted as early as possible and our academic schedule can come back on track and we can all resume our normal lives.
