

WORK FROM HOME ACTIVITIES GRADE: 6

Dear Parents

As the online classes for grade 6 have begun, this is the last in the series of weekly work from home. We request you to kindly help the child compile the week wise HWs given and submit them to the HRT whenever the school reopens. We are sure that the students have had fun doing these activities and were engaged in productive work. We pray and hope that the lockdown is lifted as early as possible and our academic schedule can come back on track and we can all resume our normal lives.

WEEK-4 20th April-25th April

Day1: Plan your Dream Vacation

- Kids always enjoy travelling during summer holidays, which may not be possible this year.
 With this fun Math activity, help them plan for the dream vacation.
- Give kids a budget (say, 25000) and then ask them to research whether their dream trip can be accomplished.
- Make sure they include travel fare, lodgings, food, shopping, and all the incidentals that add up when you travel.

Day 2: Word search

- Search the word from the word web and highlight them. With different colours.
- Write a story using at least 10 Words. You can use more than 10 words also.

Kind Word Wordsearch
